This year 2018-19 School Fuel provides a sack of food each weekend for 703 San Marcos public school children. For the school year 2019-20 we want to add 200 students in the middle schools. Please help us reach our goal of \$194,000 for the 903 students in our district that desperately need food on the weekends. All funds raised go toward the purchase of food.

Proceeds from the run will help us meet our goal.
